

STUDENT EMPLOYMENT

WITHIN THE SCHOOL

The School of Architecture offers students job opportunities within the school that cover a wide variety of needs. Current positions include woodshop or computer monitors, photographers, receptionists, social media managers, exhibition installers, archivists, clerical workers, and Urban Design Workshop employees. It is not necessary to qualify for financial aid in order to hold any of the positions, although the earnings from these positions may be included in determining financial aid awards.

WITHIN THE UNIVERSITY

The Student Employment Office, 246 Church Street, is maintained to give assistance to self-supporting students in obtaining employment outside of the school but within the university during the term. Student job listings at Yale can be found online at <https://www.yalestudentjobs.org>.

OUTSIDE THE UNIVERSITY

The school is often advised of various employment opportunities outside the university that may interest architectural students, including work in local architectural offices, small architectural jobs, etc. These opportunities are posted for the convenience of students who may be seeking outside work.
