COMPUTER CLASSROOMS

Two computer classrooms are available on central campus for the Yale research and teaching community. With over 100 workstations and a wide variety of software packages, the classrooms have been designed to serve interdisciplinary needs.

Name	Location	Capacity
17 Hillhouse	17 Hillhouse Ave., Rm. 111	74 computers
Dunham Laboratory	10 Hillhouse Ave., Rm. 120	21 computers

In all of the computer classrooms the instructor's computer is connected to a projector. For help with projectors and instruction on their use, email classroom.support@yale.edu. For assistance with or questions about software available on computers, contact cluster.support@yale.edu. (cluster.support@yale.edu)
