Custodial Services is responsible for the upkeep of classrooms. It is also in charge of such classroom furnishings as chalk, blackboards, lecterns, and examination booklets (“blue books”). For assistance in these matters, the instructor should call the Facilities Operations Center at 432-6888.

Classroom Technology & Event Services provides audio-visual support for all Yale College courses. The AV classroom support team (classroomsupport@yale.edu) will help you locate any available equipment you need and provide training.
